Making your life easier

Why Pressed In Time?

Pressed In Time is South Africa's leading laundry and dry cleaning brand and the only laundry and dry cleaning franchise network operating all over South Africa and internationally.

As a company on the **cutting-edge**, our vision is to use the best technology in every Pressed In Time store, delivering the highest quality service at the most affordable price, to as many people as possible.

We achieve this by investing in the training and development of our store owners and staff and, importantly, through the great service we provide.

Laundry is here to stay, and so is Pressed In Time.

For as long as people need to get their laundry clean, there will be a need for our service.

Our solid expansion is a result of us identifying a real consumer need and satisfying it in a friendly, efficient and professional way for families, couples and those who live alone, together with many companies who have come to trust and rely on Pressed In Time.

For good reason, we are highly selective of who becomes a Pressed In Time franchisee, as we want to work with only the very best. To those who meet our criteria, **we offer a highly successful business opportunity with a track record that is both proven and ready for substantial growth.**

What makes us a successful business

Our professional store layout and beautiful design attracts customer attention and has ensured that our business stays ahead of the competition.

Make no mistake, ours is a professionally run laundry and dry cleaning business. That's why customers who insist on great service and reliability, such as leading hotel and restaurant groups, rely on us to get the job done right, first time ... all the time.
